

*The Open Space Institute of the US, Sister Open Space Institutes around the world  
and international colleagues invite you to*

## the 16<sup>th</sup> **World Open Space on Open Space (WOSonOS)**

A conference in Open Space, for facilitators, organizations and colleagues who use Open Space  
in  
San Francisco, California, USA

July 21 through July 28, 2008 \*

*What Can We Learn / Share / Teach / Explore / Discover with Each Other  
about our Work in Open Space around the World?*

\* We invite you to a week of Open Space events:

Monday and Tuesday, July 21 and 22, 2008

### **Open Space Learning Workshop**

*(separate fee, separate registration - open to the public - for more information contact [lisaheft@openingspace.net](mailto:lisaheft@openingspace.net))*

As the WOSonOS is not a training but rather an invitation to explore OST on deeper levels, we invite all of you who have not yet experienced facilitating and using this method to take the Open Space Learning Workshop, another Open Space workshop or have some actual facilitation experience in Open Space -before- attending this conference.

Tuesday, July 22, evening

### **Author Evening with Harrison Owen**

*(a free event, open to the public, donations welcome, please pre-register)*

Join Harrison Owen, the originator of Open Space Technology, as we celebrate the launch of the Third Edition of the fundamental book on Open Space, "Open Space Technology: A User's Guide" - Berrett-Kohler, Publishers, Inc, San Francisco 2008.

Wednesday, July 23, evening

### **Welcome Reception to meet old and new friends and colleagues**

*(included in the WOSonOS registration fee, registered delegates only)*

Thursday, July 24 through Saturday, July 26, 2008

### **World Open Space on Open Space for facilitators, organizations and colleagues who use Open Space**

*(included in the WOSonOS registration fee, registered delegates only - conference, Wednesday reception, Thursday through Saturday lunches, and Thursday evening celebration dinner)*

Monday, July 28, 2008

### **Fabulous Facilitators lunch and conversation**

*(a free event, open to all facilitators, donations welcome - for more information contact [lisaheft@openingspace.net](mailto:lisaheft@openingspace.net))*

A monthly meeting of facilitators from across the San Francisco Bay Area - come visit colleagues in our local network and join our conversation about group facilitation and group process.

This week of Open Space learning, exploration, interchange and celebration will be followed by an

### **OpenSpace-Online<sup>®</sup> event in September 2008 (WOSonOS 2008).**

The date and time for our online event will be announced later in 2008. To receive advance notice about this event please go to <http://www.openspace-online.com/event/WOSonOS-2008>

**For more information and to register, visit <http://www.wosonos2008.org>**
